19th January 1893

Proceedings of the meeting of the managing Committee of the Government Hreya Balika Patasala held on the 19th January 1893 in the premises of the Government Girls School, Bangalore

Present

A Ramachendra Iyer Esqr President

C L Sreenivasiengar Secretary

It is unanimously Resolved

III That the Clause 15 of the Rules framed by the Government for the management of the Government Girls Schools by the Committee and published under notification dated 25th March 1891 is practically inconvenient, and is apt to disable the Committee from taking prompt notice of and punishing immediately any Slight misconduct or misbehaviour or irregularity or unpunctuality on the part of a teacher or person as the same, as the rule now Stands, has to be reported to the Government and Cannot be disposed of without Some correspondence on the Subject Thus want of Power on the part of the Committee is not quite

Salutary to their management the
Government will therefore be requested,
to empower the Committee to fine any
teacher in a Sum not exceeding half
of her pay for the month in which he is
fined at a time, and to appoint, fine,
Suspend or dismiss any Peon or menial
Servant without reference to Government
IV That the absence of any provision for
teaching Needle-work and Dresses in
higher Classes or Cookery in the Said curri-
culum makes the Committee doubt the
applicability of it to the Girls Schools If
it is applicable the Standard of efficiency
required of girls in Geography, Arithmetic,
even in Canarese Language, appears to be
too high and difficult of attainment
at present, considering the circumstances
that Surround the female or rather
Girls Education It Seems desirable
to make certain modifications and
alterations in the Government Scheme
of the curriculum, Sanctioned for
Vernacular Schools and to prescribe
the text books for Schools

adopting the same to the lower age of the
girl pupils. The Special Course
which distinguishes a girl School from
that of boys If the Government has
no objections the Committee is prepared
to submit a revised curriculum
The Education Secretary will be requested
to favour the Committee with an
answer to this proposal at an early
date to enable them to decide
what books are to be purchased,
and supplied to the pathasalas for
the current year

Proceedings of the Govt of Mysore

Read Resolution III of the Managing Committee of the Govt Arya Balika Pathasala passed at the meeting held on the 19th January 1893, regarding

Order No 248 — Dated 29 May 1893

Government has no objection to empower the Committee to appoint fine suspend or dismiss any peon or menial servant without reference to Government. In the case of teachers the Committee has the power of withholding their pay for one or more days when they may be absent without leave and of recommending their suspension reduction or dismissal for inefficiency or continued neglect of duty. In the case of teachers the heavier punishments of transfer suspension, reduction or dismissal seem to be more appropriate than fines which in the opinion of Government have a very demoralizing effect generally and are especially unsuitable as punishments in the case of teachers who must if they are to command the respect of their pupils if they are to exercise any more influence on their character
